Evidence-Based Approaches to Engaging Individuals and Families in Care

This free forum for the Philadelphia mental health community will include experts in evidenced-based approaches to engaging individuals with serious mental health conditions and their families in mental health services. Each presenter will describe their approach and evidence for its impact on engagement, followed by Q&A with the audience. Two free CE credits will be offered through the APA Division 18 Serious Mental Illness/ Serious Emotional Disturbance Section. Register at: https://temple.zoom.us/webinar/register/WN_JX75n05cRQ-l8dhKoEicDg.
